Dear Club Volunteers,

As we start a new year in No Name Club, I write to send you and your adult committee members my very best wishes for the coming months. On behalf of myself, Chairperson, and the other Directors, I would like to thank you all for your enormous contribution and time which you give so willingly to the young people in your club and the organisation as a whole.

Over the summer months the Board has remained active and there a few changes that I would like to share with you. Michael McGlynn left us in early June and we intend to create a new communications post in the next few weeks. For a number of different reasons, including costs, in August we moved the National Office to Main Street, Baltinglass, Co Wicklow where Noeline now works from.

We have made some new staff appointments:

We have a new CEO in place; many of you will be familiar with him already through the Events Committee and his period as Chair of the Board. John Donovan brings with him many years of experience in management both in industry and commerce, along with a sound knowledge of No Name Club. He will work to ensure that No Name Club continues to operate to best practise standards; to maintain its objectives and to keep to its philosophy. He will also make sure that our funding remains secure.

We have also appointed a Training Co-Ordinator / Child Protection Officer. Con Nolan was until recently the Interim CEO; he now takes on this new role and is charged with the task of making sure No Name Club maintains a high level of child protection standards. His experience over the last year and his career with the Gardai provided him with the knowledge needed for this role.

Last year we appointed 7 Training Officers, this year we have employed a total of 9. These officers are:

Pat Heeney – North West	Edith Geraghty – West Mayo
Niall Bailey – North East	Marian Treacy – East
Ann Nagle – South West	Sean Twomey – South
Bernie Divilly – East Mayo	Bernard Cloney – South East
Dominica Healy – South & West Galway

Con Nolan took up his role at the beginning of September and John Donovan commenced in mid-September. The Training Officers will start on 10th October. The Board also intends to create a new communications post in the next few weeks.

I now believe that we have an excellent team in place to move the No Name Club forwards into the future. We cannot progress by looking backwards. We have a unified Board who work well together, we have skilled workers in their different roles and most importantly we have wonderful local club volunteers.

Once again, I wish you well in your endeavours and remind you that if you need to you can contact me through Noeline or via email.

Please note that affiliations are due on or before September 30th 2011 and any Club wishing to avail of the Pop-up stand and club sign should ensure that their affiliation reaches the office by this date as the order must be placed, there will be no facility to re-order these items after 30th September. Thank you to all the Clubs who have affiliated already.

Kind Regards,
